CULTURAL UNDERSTANDING

is The Key of Harmony

Ricky Harvy Waldt | *Editor in Chief*

Pembaca tercinta,

Have a nice day, salam sejahtera untuk kita semua. Senang rasanya bisa menyapa Anda semua yang saya yakin memiliki latar belakang budaya yang berbeda-beda. Tentunya Anda juga menyambut baik perhelatan Tanabata Matsuri yang diselenggarakan oleh Lippo Cikarang pada 6-7 Juli yang lalu.

Kemeriahan dan semangat yang dibawa oleh Tanabata Matsuri menjadi pemantik kami dalam edisi ini melalui berita utama yang kami bawa. Melalui Tanabata Matsuri, PT Lippo Cikarang Tbk berharap terciptanya cultural understanding dari seluruh warga yang tinggal di Lippo Cikarang yang memiliki keanekaragaman budaya. Dengan saling memahami budaya satu sama lain, harmoni akan terwujud di kota Lippo Cikarang ini.

Menyambut hari raya Idul Fitri 1440 H yang baru saja kita sambut, Township Management Services Lippo Cikarang mengadakan Halal Bihalal bersama warga yang diwakili oleh pejabat RT/RW di Lippo Cikarang. Halal Bi Halal ini menjadi bentuk pelayanan kami, selain menciptakan wilayah yang nyaman namun juga menghargai setiap perbedaan yang ada.

Pembaca, sungguh menjadi kebanggaan bagi kami untuk dapat menjadikan informasi yang actual dan informatif bagi Anda. Dengan kemajemukan yang dimiliki oleh Lippo Cikarang, mari kita sama-sama mewujudkan rasa toleransi kepada setiap orang dan mari kita wujudkan Kota Lippo Cikarang yang Bhinneka Tunggal Ika.

Dear Readers,

Have a nice day, peace to all of you. It's nice to be able to greet you through this magazine, all, who I believe have different cultural backgrounds. Of course you also welcomed the Tanabata Matsuri event held by Lippo Cikarang on July 6-7.

The excitement and enthusiasm brought by Tanabata Matsuri has become our lighter in this edition through the headlines that we carry. Through Tanabata Matsuri, the committee hope for the creation of a cultural understanding of all residents living in Lippo Cikarang who have a diversity of cultures. By understanding each other's culture, harmony will be realized in this city of Lippo Cikarang.

Welcoming the Eid al-Fitr 1440 H, which we just welcomed, Township Management Services Lippo Cikarang held a Halal Bihalal with residents represented by RT/RW officials at Lippo Cikarang. This Halal Bi Halal is a form of our service, besides creating a comfortable area but also appreciating every difference that exists.

Readers, it is truly a pride for us to be able to make actual and informative information for you. With the plurality of Lippo Cikarang, let us realize tolerance for everyone and let us realize the City of Lippo Cikarang which is Bhinneka Tunggal Ika.

Alternative House Decoration for Independence Day

Momentum peringatan hari Kemerdekaan Indonesia yang jatuh ditanggal 17 Agustus setiap tahunnya selalu menjadi waktu yang tepat untuk menghias rumah dengan pernak-pernik khas kemerdekaan yang biasa bernuansa merah putih. Berikut beberapa alternatif untuk menghias rumah Anda:

1. Gantungan gelas plastik berwarna merah putih yang bisa kamu cat sendiri ini bisa dipergunakan untuk hiasan lampu
2. Spirit perjuangan khas 17-an bisa kamu dapatkan dengan memasang poster pahlawan dengan quotes-nya yang membakar semangat 45
3. Sentuhan bunga berwarna merah putih dalam vas bisa mempermanis ruanganmu
4. Kalau kamu punya sprei dan sarung bantal bernuansa merah putih, pasang saja sebagai simbol peringatan tujuh belasan
5. Nggak ada salahnya memasang peta Indonesia di momen tujuh belasan agar kamu lebih menghayati lagi makna persatuan dalam berbagai keberagaman
6. Karpet atau keset merah putih jadi aksesoris menarik yang menghadirkan suasana kemerdekaan di salah satu sudut ruangan di rumahmu
7. Atau, kamu pun bisa menyediakan aneka jajanan bertema merah putih untuk menunjang suasana kantor atau rumahmu yang tengah merayakan Hari Kemerdekaan, salah satunya red velvet cookies (Resep halaman 27)

Indonesia celebrates its independence day every year on 17 August, and will always be the best time to decorate our houses with independence day decoration, usually red and white colours of our flag. These are some tips to decorate your house:

1. A red and white plastic cup holder that you can paint on your own can be used for lamp decoration
2. You can get the typical fighting spirit of the 17s by putting up a hero poster with quotes that are encouraging 45
3. A touch of white flowers in a vase can sweeten your room
4. If you have bed linen and a pillowcase with red and white nuances, just install it as a substitute symbol for seven dozen
5. It is not wrong to put Indonesian Maps in the moment of the Independence Day so that you will appreciate the meaning of unity in a variety of diversity
6. Red and White carpet or fidelity so it is interesting that brings spirit of Independence Day in one corner of the room in your house
7. Or, you can also provide various red and white snacks to support the atmosphere of your office or home that is enjoying Independence Day, one of which is red velvet cookies (Recipe page 27)

Get to know PCOS atau Polycystic Ovary Syndrome

Belum lama ini, artist Fitri Tropica diketahui mengidap penyakit Polycystic Ovary Syndrome atau PCOS yang menyebabkan dirinya sulit hamil. Penyakit yang dikenal sebagai Sindrom Ovarium Polikistik merupakan masalah yang terjadi pada keseimbangan hormon wanita.

Pada penderita PCOS, hormon estrogen dan progesteron yang dimiliki oleh wanita tidak seimbang. Pada penderita masalah kesehatan ini, biasanya terdapat kista berukuran kecil yang membuat ovarium membesar.

Tidak seimbangnya hormon wanita membuat menstruasi jadi tidak teratur dan akhirnya menyebabkan sulit hamil bagi wanita penderita PCOS. Penyakit ini sendiri tidak dapat dicegah, namun diagnosis dan pengobatan dini dapat membantu mencegah komplikasi jangka panjang, seperti kemandulan, sindrom metabolismik, obesitas, diabetes, dan penyakit jantung.

Berikut beberapa hal untuk mengatasi PCOS (sumber WebMD):

- 1 Makan Sehat dan Olahraga
- 2 Mengendalikan Berat Badan
- 3 Jangan Merokok

Recently, Fitri Tropica (artist) was known to have Polycystic Ovary Syndrome or PCOS which caused her to have pregnancy difficulties. A disease known as Polycystic Ovary Syndrome is a problem that occurs in female hormonal balance.

In PCOS patients, the female estrogen and progesterone hormones are not balanced. In patients with this health problem, usually there are small sized cysts that make the ovary enlarged.

The imbalance of female hormones makes menstruation irregular and finally causes pregnancy difficulties for women with PCOS. The disease itself cannot be prevented, but early diagnosis and treatment can help prevent long-term complications, such as infertility, metabolic syndrome, obesity, diabetes, and heart disease.

Here are some things to deal with PCOS (WebMD source):

- 1 Healthy eating and exercise
- 2 Controlling Weight
- 3 Don't smoke
