

**PRESS RELEASE**

**Lippo Cikarang Helps Residents Affected by Covid-19**

**For immediate Distribute**

April 17, 2020

PT Lippo Cikarang TBK provides basic food assistance to people living in Hegarmukti village, central Cikarang District, West Java province. The basic food was given by Agna Sujuddienna, a representative of PT Lippo Cikarang TBK and was directly accepted by representatives of residents living in Hegarmukti.

Agna Sujuddienna who came with Lippo Cikarang team on the occasion explained, this donation is part of the first stage, which is 2,000 kg of rice, because there will be distribution of subsequent groceries.

"Hopefully this donation is well received, and let's continue to apply the discipline of the PSBB Program from Pemda Bekasi, West Java provincial government and the central administration, so that we can all pass the trials of this corona virus immediately," said Agna Sujuddienna as *Town Engineering Head*.

On behalf of the citizen, Faizal Bahri expressed gratitude even moved and thanked PT Lippo Cikarang TBK which from time to time consider the life of people around the area. "This also as well as our prayers, may Lippo Cikarang continue to be endowed and give good impact to all of us, this time the majority of community Hegarmukti feel the impact of PSBB. They are many who have no income due to this PSBB. People are very enthusiastic about getting a basic groceries from Lippo Cikarang. We are thankful for the attention of Lippo Cikarang to the community "he said again

Since 15 April 2020, all settlements in the area of Lippo Cikarang located in the administrative area of Bekasi Regency, West Java, began to implement PSBB in order to ward off the spread of Corona viruses. But a few days earlier until now, there are already

among the residents around the industrial area and settlements Lippo Cikarang affected by the Covid-19 pandemic.

Previously Lippo Cikarang also contributed to help prevention of Covid-19 by spraying disinfectant to Lippo Cikarang area and together with Polres Metro Bekasi spraying into Pantura road. In addition, together with Cibatu Puskesmas conducting socialization to the homes of citizens related to the prevention that community should do.

As known, PT Lippo Cikarang TBK is now in addition to managing industrial estates, as well as a number of business territories, travel, entertainment, plus world-class modern settlements, such as Meikarta, Orange County and Waterfront Estates.
