

PRESS RELEASE

Prevent Corona, Lippo Cikarang Intensive Give Information of Preventive procedures to all stakeholders

For Immediate Distribute

March 17, 2020

Cikarang – Indonesian Government announces Covid-19 as a national disaster on Week 15 March. To prevent the spread of corona viruses, PT Lippo Cikarang TBK Onslaught provides information on preventive procedures to all employees, residents living in Lippo Cikarang, and tenants in the industry.

Every day, employees who will enter the workplace, will be conducted in the body temperature examination. If the employee has temperatures above 37.5 Celsius, it is advisable to check the health of the nearest hospital and work at home. This is done to ensure employees who work are not in sick condition or can spread corona virus.

Jeffrey Rawis Head of Public Relations PT Lippo Cikarang TBK said: "As a region developer, we will always *update* related to a national case that threatens life around such as Covid-19. We will follow the steps already in input by the central government and also prepare precautions such as *hand sanitizer*, provide masks, hand soap, posters on every floor related to the prevention of Corona viruses, to be able to residents living in Lippo Cikarang by *e-mail*, and also to industrial tenants.

Customer Lippo Cikarang who wants to make payment at the service to make payments digitally without the need for direct contact with *Customer services*. Thereby reducing the impact of spreading corona virus in crowds.

Corono virus Prevention Efforts are also carried out like asking each new employee travelling from abroad to check the health and quarantined for 14 days. After the quarantine, employees still have to check back to the hospital to make sure the employee is ready to move back. Until monday (16/3/2020) Noon, the Indonesian government has announced 117 a positive case of Corona virus.
