President Jokowi Opens 'Booster' Vaccination in Collaboration with Lippo Cikarang, Obor Berkat Indonesia and Siloam Hospitals

Cikarang, 24/2/22: Starting with the remarks of the President of the Republic of Indonesia Joko Widodo, the implementation of the 'booster' vaccine in District 1 Meikarta for industrial employees in the Lippo Cikarang area took place in the District 1 Meikarta area, Thursday (24/2/22), with a total of 1000 doses of vaccine provided.

The 'booster' vaccination for industrial workers using the AstraZeneca vaccine is carried out simultaneously in other industrial areas throughout Indonesia. Specifically, in the industrial area of PT Lippo Cikarang Tbk, President Jokowi did it virtually.

A total of 733 participants for the 'booster' vaccine which will be implemented in the Lippo Cikarang industrial area from 14 participating companies. All vaccine participants have received an invitation to come, thus preventing crowds

Participants must check their temperature and scan the barcode before entering the vaccine location. "After that, register and 'screen' the eligibility of participants to get the vaccine. The type of vaccine used has been determined by the Bekasi Regency Government (Pemkab) through the Health Service, namely AstraZeneca.

Escort Industrial Growth

Meanwhile, Jeffrey Rawis, 'Head of Public Relations' of PT Lippo Cikarang Tbk, said that his party always continues to support the government's program in implementing booster vaccinations which are especially intended for industrial workers.

"One of the important goals is for the industrial world to continue to grow, because all of its employees are healthy, they have reached 'herd immunity', so they can prevent the spread of the corona virus," he said.

Furthermore, Jeffrey also thanked those who have supported such as Siloam Hospitals Lippo Cikarang and Obor Berkat Indonesia by contributing in the form of mobilizing health workers (Nakes) to make booster vaccination activities successful in the industrial sector.

"Let's continue to build togetherness based on the spirit of gotong royong, trying to guard industrial growth for the nation's economic progress in the midst of the Covid-19 pandemic that has hit the world," said Jeffrey Rawis.

Collaboration of Several Institutions

At the same place, President Director of Meikarta, Reza Chatab, said that the implementation of the industrial sector booster vaccination in the Lippo Cikarang area was a collaboration with various parties.

"These include the Ministry of Industry, the Ministry of Health, the Bekasi District Health Office, Siloam Hospitals Lippo Cikarang, Obor Berkat Indonesia, District 1 Meikarta, and industrial tenants in the Lippo Cikarang area," he added.
