Welcoming Bhayangkara's 76th Anniversary, Lippo Cikarang and the South Cikarang Police are Intensifying the Covid-19 'Booster'

Cikarang. To celebrate Bhayangkara's 76th birthday on July 1, PT Lippo Cikarang Tbk collaborated with the Cikarang Selatan Police to conduct simultaneous vaccinations, one of which was at Maxxbox Lippo Cikarang, last Wednesday (15/6/22).

In this event, the 'booster' vaccination was also carried out which was instructed by the President to be immediately obtained by the community. So did the South Cikarang Police Chief, Kompol Satirin.

He said, the government is currently again aggressively reminding the public to immediately do a 'booster' for those who haven't, because the number of Covid-19 cases has increased again after new variants were detected, namely Omicron BA.4 and BA.5. 'Booster' is expected to provide full immunity to the public to suppress the spread of this new variant.

Jeffrey Rawis as the 'Head of Public Relations' of PT Lippo Cikarang Tbk said, his party fully appreciates all the teams that collaborated on today's vaccination activity, because it has gone smoothly. "Especially to the team from the South Cikarang Police Chief, the Covid-19 Task Force, Lippo Cikarang, and the Cibatu Health Center," he said.

Meanwhile, the South Cikarang Police Chief, Kompol Satirin, also said he was very grateful for the collaboration with Lippo Cikarang in carrying out this 'booster' vaccination so that around 300 people could vaccinate comfortably.

Vaccination Continues

Jeffrey Rawis added, until now, his party has facilitated the implementation of more than 10,000 doses of vaccinations that have been given to the public in collaboration with central and regional government agencies.

All of this is done in the hope of increasing the body's immunity against the 'Corona' virus and so that people can continue to carry out activities so that the economy can run.

The Lippo Cikarang vaccination campaign together with the South Cikarang Police took place in the California Room Maxxbox Lippo Cikarang from 08.00 – 12.00 WIB with vaccine doses provided by Astra Zeneca.

Meanwhile, the South Cikarang Police Chief, Kompol Satirin also added that this vaccination activity would continue until next July. Bearing in mind, there are still many people who have not received vaccines, both the first and second doses and there are also new variants of Covid-19 starting to spread. *
